

Buck-I-Graphics Webdesign Solutions for Small Business'

All of our web design solutions are competitively priced and include your first year of web hosting and domain name. Each solution is unique for your business to make the transition to the new-millennial online presence atmosphere. With experience and innovation, we utilize the tools of the internet to help you effectively reach your market.

Trade Terms:

Domain Name: This is your internet address. For example, www.buckigraphics.com. You choose your domain name based on availability.

Hosting: Once you have an address (domain name) the website must be housed somewhere physically. Let our professionals worry about this and trust that all of your content is safe and secure with us.

<p>Solution 1: \$100</p>	<p>Our smallest solution for businesses who just want to get their basic information on the web. Solution includes unique design, one page, one year of web hosting, and your choice of domain name. Content restrictions apply.</p>
<p>Solution 2: \$299</p>	<p>Moderately priced solution with up to five pages. Great for displaying a welcome page, contact information, pricing, and other information unique to your business separately for a more professional looking website. Solution includes unique design, five pages (homepage and four content), one year of web hosting, text flash animation, and your choice of domain name. Content restrictions apply.</p>
<p>Solution 3: Name your price!</p>	<p>Pricing starting at \$150 and includes an infinite amount of pages! This solution is flexible for your business. Base pricing is \$100 and \$50 per additional page. Solution includes unique design, one year of web hosting, text flash animation, and your choice of domain name.</p>
<p>Already have a site? Needs a makeover!</p>	<p>Let us work with your previous provider to transfer your domain to us where we can meet your every need. We will fully cover the transfer (for FREE) with any of our solution packages!</p>

Don't pay extra for design! Each solution includes your original design as well as your hosting and domain name for the year. Every solution is billed annually and a 50% deposit is required to begin design. Unlimited revisions on original design until we make your site just right! Your site will be visible to just you until final approval.

All solutions include minor revisions throughout the billing cycle, additional rates may apply. Service contracts available upon requested. Other restrictions may apply.
